RADWIN Indoor Unit

Indoor AC PoE device - Data Sheet

RW-9921-1022

Product Description

Indoor AC POE device for RADWIN radios, with GBE interface, supports input power range 100-240VAC nominal range. Pinout: (+) pins 4/5, (-) pins 7/8. Designed for SU-PRO/AIR. Include power cable. .

Product Highlights

- High power single port injector
- GBE compatible
- Power LED indication
- Full over current/voltage protections
- Non-vented case

RADWIN

Product Specifications:

ELECTRICAL	
Input Voltage	100-240VAC nominal range. Pinout: (+) pins 4/5, (-) pins 7/8. Designed for SU-PRO/AIR. Include power cable.
DC Output Voltage	24V
Environmental	
IP Rating	Indoor
Safety	
EMC	
Mechanical	
Case	Plastic
Dimensions	
Mounting kit	N/A
Interfaces	
PoE/ODU output	RJ45 GBE
Ethernet input	RJ45 GBE
